Mr. W. Y. Peters,
143 Bay State Road,
Boston, Mass.

Dear Peters:

Thank you for your subscription and remittance for two copies of "Spanish Songs of Old California." Your order will be filled as soon as the books come from the printers - which will be within a few weeks. I expect a very handsome piece of work physically; and as to the musical and the ethnological value of the Songs, there is no doubt.

I am slowly gaining strength, after a year of a hard struggle back to health, and hope to be good for several years more of worthwhile work.

With all good wishes,

Your Classmate and Friend,

CFL/R
